**Attachments:** 2015 HAMP DWTSa project proposal.pdf; Cover Letter\_EPA\_DWTSa.doc

Lionel,

Please find attached a draft project proposal form for the HAMP for 2015 DWTSa EPA funding. I spoke with Bessie Lee and she asked just for the completed project proposal form, a cost estimate, and the tribal endorsement letter. Normally, the PER would be submitted as well, but I believe she already has a copy.

The following need to be completed before the application is complete:

- Sign the project proposal form
- Sign the cover letter, if you choose to use it
- Obtain a signed tribal endorsement letter from the Chairman
- Mail two copies to Mr. Rapicavoli (see cover letter for his mailing address) before November 1st
- Email one copy to Mr. Rapicalovi (see cover letter for his email address) before November 1<sup>st</sup>

Let me know if you have any questions or if you want assistance with any of the above items.

Thanks,

Adam
